Public Involvement Activities for Tri-Party Agreement Change Request M-91-07-01 Modification of Hanford Federal Facility Agreement and Consent Order (TPA) M-091 Series Milestones

The State of Washington, Department of Ecology (Ecology), the U. S. Environmental Protection Agency (EPA), and the U. S. Department of Energy, Richland Operations Office (RL), evaluated the changes proposed to Tri-Party Agreement (TPA) Major Milestone M-091-00 (Tri-Party change package M-91-07-01) to determine if they meet the criteria established in the TPA and associated Community Relations Plan for public involvement. The Parties Public Involvement Officers reviewed the subject TPA change package in accordance with the TPA Action Plan, Section 10.0, Community Relations/Public Involvement and with the significance criteria within the Community Relations Plan. The Parties determined that the proposed changes were not significant and do not require public review.
