Dear Messrs. Day and Jansen:

LIST OF UNIT MANAGERS FOR RESOURCE CONSERVATION AND RECOVERY ACT CLOSURE UNITS

The Hanford Federal Facility Agreement and Consent Order (Tri-Party Agreement) Action Plan, Section 4.2, requires each party to designate an individual as a Unit Manager for each Treatment, Storage, or Disposal (TSD) Unit. Attached is a list of the Resource Conservation and Recovery Act TSD Units at the Hanford Site for which closure plans have been developed or are currently being developed, and the designated Unit Managers. Four of these closure plans were submitted to your office in November 1992, in accordance with the Tri-Party Agreement Work schedule, and one will be submitted in February 1993. The remainder of the closure plans were submitted over the past several years, and are at various stages of review. Please address any questions or comments on the closure plans to the appropriate Unit Manager.

If you have any questions on this information, please contact me or Mr. R. N. Krekel at (509) 376-4264.

Sincerely,

Steven H. Wisness
Hanford Project Manager
