Dear Mr. Ferns:

Subject: Request for complete set of comments submitted on the *Revised draft Hanford Remedial Action Environmental Impact Statement and Comprehensive Land-Use Plan*

On approximately the 2nd of August, Washington Department of Fish and Wildlife requested a complete set of comments submitted on the revised draft HRA-EIS. We have not received a packet with the complete set of comments yet and would greatly appreciate them by the close of business on 20 August, 1999. This will help us prepare for meaningful discussions with your management regarding revisions to the map and document since the close of the public comment period.

I would like to thank you in advance for seeing to it that we receive a complete set by 20 August, 1999.

Sincerely,

Jay McConnaughey
