

START

CERTIFICATION OF INSPECTION AND INSTALLATION OF LARGER ON-SITE SEWAGE SYSTEMS

The following regulation applies: WAC 246-272-080- Within sixty days following the completion of and prior to the use of any project or portion thereof for which plans and specifications have received the approval of the Secretary, certification shall be made to the Secretary and signed by a professional engineer that the project was inspected by him or his authorized agent and that it was constructed in accordance with the plans and specifications approved by the Secretary.

Instructions:

- (a) If a project is being completed in stage construction, attach a map and description of project being certified as completed as approved on date given below.
- (b) As future portions of staged construction projects are completed, each must be certified as required by WAC 246-272-080.
- (c) Additional certification forms are available upon request from DOH offices listed below.
