Dear Mr. Wilson:

SUBMITTAL OF 241-C-103 AND 241-C-109 TANKS WASTE RETRIEVAL WORK PLAN (TWRWP), RPP-21895 REVISION 2; AND REQUEST FOR EXTENSION FOR SUBMITTAL OF THE 241-C-102, 241-C-104, 241-C-107, 241-C-108, AND 241-C-112 TWRWP, AND THE 241-C-101, 241-C-105, 241-C-110, AND 241-C-111 TWRWP

- References: 1. Ecology letter from J. J. Lyon to R. J. Schepens, ORP, "Resolution of Comments on the 241-C-103 and 241-C-109 Tank Waste Retrieval Work Plans," dated May 2, 2005.
2. Ecology letter from J. J. Lyon to R. J. Schepens, ORP, "Review Comment Record (RCR) Comments for the 241-C-101, 241-C-105, 241-C-110, and 241-C-111 Tank Waste Retrieval Work Plan (TWRWP), RPP-22520, Rev. 1, received January 25, 2005," dated April 25, 2005.

Attachment 1 is the 241-C-103 and 241-C-109 TWRWP, RPP-21895, Revision 2, and is provided for your approval. This document incorporates agreement on the TWRWP content and resolution of the State of Washington Department of Ecology (Ecology) comments recently reached at a Project Manager level as you requested in Reference 1. Attachment 2 is the RCR that details disposition of all Ecology comments on RPP-21895.

The outcome of the agreement on RPP-21895 also affects comment resolution on the TWRWP for Tanks 241-C-102, 241-C-104, 241-C-108, 241C-107, and 241-C-112 (RPP-22393), as well as the TWRWP for Tanks 241-C-101, 241-C-105, 241-C-110, and 241-C-111 (RPP-22520), as all three documents have many issues in common. In References 1 and 2, Ecology expressed expectations to receive delivery of revisions to RPP-22393 and RPP-22520 by May 31, 2005, and June 12, 2005, respectively. However, in consideration of the time necessary to have reached agreement on RPP-21895, the U.S. Department of Energy, Office of River Protection (ORP) requests an additional 45 days to complete revisions to the remaining two TWRWPs, extending the delivery dates to July 15, 2005, and July 27, 2005, for RPP-22393 and RPP-22520, respectively. Mr. Jeff Lyon of your staff has been informed of this request for extension and is in agreement.
