HANFORD FEDERAL FACILITY AGREEMENT AND CONSENT ORDER (HFFACO) EXTENSION OF DISPUTE AT THE PROJECT MANAGER LEVEL FOR DISAPPROVAL OF THE REVISED M-91-03 INTERIM MILESTONE TRANSURANIC (TRU) MIXED/MIXED LOW-LEVEL WASTE PROJECT MANAGEMENT PLAN (PMP) FROM JANUARY 31, 2008, TO FEBRUARY 14, 2008

Per Hanford Federal Facility Agreement and Consent Order Article VII, Resolution of Disputes, 30, E., the Parties agree to extend the Hanford Federal Facility Agreement and Consent Order M-91-03 PMP dispute at the project manager level from January 31, 2008, to February 14, 2008. The extension is required to allow the agencies to address the issue of providing additional CERCLA waste information. The U. S. Department of Energy, Richland Operations Office (RL) initiated dispute in the RL to Ecology letter, 08-AMCP-0008, "Initiation of dispute resolution for Hanford Federal Facility Agreement and Consent Order (HFFACO) disapproval of interim milestone M-91-03 requirement, DOE shall revise the PMP to include plans and schedules for land disposal restriction treatment of transuranic mixed waste by December 28, 2006," and this agreement extends that dispute at the project manager level.
