Subject: Draft Meeting Minutes from Spokane, 7/13/00

Everyone -

Attached are the VERY ROUGH DRAFT meeting minutes from Spokane. There was such a lengthy, involved discussion on the PAS that I have a lot of questions as you will see in the minutes. Please provide your comments/changes/additions to me by Friday, August 25, 2000, so that I can get out a revised version prior to our meeting in Lowell.
