Hello Again Teri,

Attached are revised by-laws based upon the group effort at the last trustee meeting and the notes that were transcribed on the work disc that I had. I took all of the edit redlines and strikeouts out of this version so that we could start fresh. Everything that was discussed is in this version however plus a Websters Dictionary definition of concensus. I hope this comes through ok as I'm having trouble converting some word perfect files from discs to microsoft word. Please send this out to all of the trustees and request comments and edits by February 20th so we can get another draft out. We need to send out a request for agenda items by the 20th as well. I talked to Jake and he was going to talk to Candy and get the meeting minutes finalized and to me as soon as possible.

Thanks Tom
