RE: 2727-S Nonradioactive Dangerous Waste Storage Facility Closure Plan

Dear Mr. Wisness:

In response to a May 28, 1991 letter from Ms. E.A. Bracken and Mr. R.E. Lerch, Ecology concurs with designating the demolition waste from the 2727-S Nonradioactive Dangerous Waste Storage facility as dangerous waste due to the state toxicity criteria (WT02).

Technical inquiries regarding this issue should be directed to Ecology's 2727-S Unit Manager, Mr. Joe Witczak, at (206) 438-7557.

Sincerely,

Timothy L. Nord
Hanford Project Manager
