Mr. J. G. Lehew, President
and Chief Executive Officer
CH2M HILL Plateau Remediation Company LLC
Richland, Washington 99352

Dear Mr. Lehew:

CONTRACT NO. DE-AC06-08RL14788 – SAMPLE AND ANALYSIS PLAN FOR DISPOSAL OF HANFORD WASTE AT THE ENVIRONMENTAL RESTORATION DISPOSAL FACILITY, HNF-32335, REVISION 0 AND SAMPLE AND ANALYSIS PLAN FOR DISPOSITION OF LOW-LEVEL AND MIXED LOW-LEVEL WASTE FROM BURIAL GROUNDS EXCEPT DRUMS IN 218-W-4C, WMP-30818, REVISION 0

The purpose of this letter is to respond to the June 12, 2008, (FH-0801355) request for approval of the Sample and Analysis Plan for Disposal of Hanford Waste at the Environmental Restoration Disposal Facility, HNF-32335, Revision 0 and to the June 24, 2008, (FH-0801470) request for approval of the Sample and Analysis Plan for Disposition of Low-Level and Mixed Low-Level Waste from Burial Grounds Except Drums in 218-W-4C, WMP-30818, Revision 0. Because of the recent contract transition and the transfer of work scope to the CH2M HILL Plateau Remediation Company LLC (CHPRC) for these areas, the U.S. Department of Energy, Richland Operations Office (RL) has determined that the response should be transmitted to CHPRC.

RL has received two letters dated October 30, 2008, (attached), containing the U.S. Environmental Protection Agency's approval for both of the subject documents. RL also approves these documents, thus making the option to dispose specific wastes from Transuranic retrieval and Solid Waste Operations Complex facilities, etc. at the Environmental Restoration Disposal Facility available as a disposal pathway. If you have any questions, please contact me, or your staff may contact Matt McCormick, Assistant Manager for the Central Plateau, on (509) 373-9971.

Sincerely,

A handwritten signature in cursive script that reads "Jenise C. Connerly".

October 30, 2008

Joe R. Franco
Assistant Manager for the
River Corridor
U.S. Department of Energy
P.O. Box 550, A3-04
Richland, Washington 99352

Re: *Approval of Sample and Analysis Plan for Disposal of Hanford Waste at the Environmental Restoration Disposal Facility (HNF-32335).*

Dear Mr. Franco:

The U. S. Environmental Protection Agency (EPA) has reviewed the subject document. We have provided comments and have subsequently discussed acceptable resolutions to those comments with the U. S. Department of Energy (DOE) and its contractor.

This letter documents EPA approval of the subject work plans, conditioned by incorporation of the revised text. If you have any questions, please do not hesitate to call me at (509) 376-3883.

Sincerely,

A handwritten signature in black ink, appearing to read "David R. Einan".
