Hearing/Meeting Mattawa, Washington Location June 2, 1999 Date

I am expressing support for Alternative #3. Although none of your alternatives are balanced Alternative #3 is the only one which comes close to the needs and future of Grant County and the Mattawa area. I also support Representative Doc Hastings proposal for the National Academy of Sciences to "impartially" study all potential uses of the Wahluke Slope. The most balanced and therefore the most "preferred" alternative is still the Wahluke 2000 proposal. In addition, I strongly feel that all future payment in lieu of taxes or PILT moneys should be based on "lost opportunity" costs, not current use assessments.

Sincerely,

This is a postage-paid self-mailer. Please fold and seal before mailing to the address on the back.

IMPORTANT: Before returning this Comment Sheet, please fold the flyer so that it is addressed to Mr. Tom Ferns, and the largest flap on the back matches at the top. Seal with tape at the top only.
