SUBJECT: (Note the change request number, disputed subject or milestone addressed)

Extension of TPA dispute on the disapproval of change control form M-45-15-01, interim milestone M-045-92 Installation of Barriers

DECISION / DETERMINATION / ACTION ITEM: (Note the assignee and due date)

The parties are currently in dispute at the IAMIT level with regard to TPA change control form M-45-15-01 regarding TPA milestone M-045-92 (installation of barriers). The parties are also in dispute at the Project Manager level on TPA change control form M-62-14-02 regarding TPA milestone M-062-45 (System Plan negotiations). The IAMIT has determined that, if possible, it is in the best interest of the parties to resolve the dispute on TPA change control form M-45-15-01 following the entry of a final order modifying the Consent Decree in *State of Washington v. U.S. Dept. of Energy*, No. 08-5085-RMP. To those ends, the parties agree per HFFACO Article VIII *Resolution of Disputes*, Paragraph 30, Section E, that the deadline for resolution of the M-45-15-01 dispute may be extended until the next regularly-scheduled IAMIT meeting following entry of said final order. Provided, however, the IAMIT further agrees that either party may withdraw their consent to extend the dispute upon written notice to the other party. Should either party withdraw their consent in accordance with this agreement, then the matter shall be placed on the agenda of the next regularly scheduled IAMIT meeting following the receipt of written notice of withdrawal by the other party. The IAMIT shall then have twenty-one (21) days to unanimously resolve the dispute in accordance with HAFFACO Article VIII, *Resolution of Disputes*, Paragraph 30, Section D.
