Dear Ms. Webb:

CONSULTATION ON THE LAND CONVEYANCE OF 1,641 ACRES AT HANFORD SITE

In accordance with Section 3013 of the National Defense Authorization Act for Fiscal Year 2015 (Public Law 113-291), the U.S. Department of Energy Richland Operations Office (RL) is planning to convey approximately 1,641 acres of land located in the southeastern portion of the Hanford Site. RL received a copy of the letter sent to you by Mr. Gregory Griffith, Deputy State Historic Preservation Officer, Department of Archaeology and Historic Preservation on October 7, 2014, regarding your question about having a voice in the discussion on the referenced land transfer.

RL is implementing the Section 106 process in accordance with the National Historic Preservation Act and has received preliminary information about historic properties that may be of interest to you.

A map displaying the area from which lands will be transferred is enclosed for your convenience. If you would like to schedule a meeting or have any questions, please contact me on (509) 376-4069 or mona.wright@rl.doe.gov.

Sincerely,

Mona K. Wright
