EXTENSION AT THE PROJECT MANAGER LEVEL FOR THE HANFORD FEDERAL FACILITY AGREEMENT AND CONSENT ORDER (TRI-PARTY AGREEMENT) DISPUTE REGARDING DISAPPROVAL OF A PRIMARY DOCUMENT (CALENDAR YEAR 2019 HANFORD SITE MIXED WASTE LAND DISPOSAL RESTRICTIONS FULL REPORT, DOE/RL-2020-09, REVISION 1)

The U.S. Department of Energy, Richland Operations Office (DOE-RL) invoked the Tri-Party Agreement dispute resolution process with the Washington State Department of Ecology (Ecology) under Hanford Federal Facility Agreement and Consent Order (Tri-Party Agreement) Action Plan, Section 9.2.1, Primary Documents on September 29, 2021 (reference DOE-RL letter 21-PFD-003158). The Parties hereby agree to extend the period of dispute resolution at the Project Manager level from December 3, 2021 to January 14, 2022. The Parties jointly determined that this extension is desirable to provide them additional time to reach resolution regarding the Ecology identified deficiencies (reference Ecology letter 21-NWP-158) and establish a path forward.
