Mr. David Bowen, Program Manager
Nuclear Waste Program
Washington State Department of Ecology
3100 Port of Benton Blvd.
Richland, Washington 99354

Dear Mr. Bowen:

REMOVAL OF THE OFFICIAL USE ONLY DESIGNATION FROM THE WASTE TREATMENT AND IMMOBILIZATION PLANT PERMIT DOCUMENT 24590-LAW-N1D-LFP-00002 REVISION 1 CORROSION EVALUATION FOR LFP-PMP-00001A/B & 3A/B, MELTER 1 AND 2 FEED PREPARATION VESSEL PUMPS

According to the June 12, 2019, WA7890008967 Permit, "24590-LAW-PCN-ENV-17-007, Class Prime Modification to the Hanford Facility Resource Conservation and Recovery Act Permit, Dangerous Waste Portion, Revision 8C, for the Treatment, Storage and Disposal of Dangerous Waste, Part III, Operating Unit Group 10, Waste Treatment and Immobilization Plant (WTP) Permit," the following Official Use Only document 24590-LAW-N1D-LFP-00002 Revision 0, was added to Appendix 9.9 of the WTP permit and marked appropriately. There has been a revision to that document and 24590-LAW-N1D-LFP-00002, Revision 1. There were modifications to Revision 1 of the document, so it no longer is designated "Official Use Only," and the Revision 1 no longer has to be protected as such.

If you have any questions, please contact me, or your staff may contact, Paul M. Pak, Director, Environmental Safety and Quality Division, on (509) 376-4798.

Sincerely

**GLYN
TRENCHARD**

Glyn D. Trenchard
