Re: Additional Extension of the Department of Ecology's Comment Review Period for the *Single-Shell Tank Leak Detection and Monitoring Technologies Evaluation*, RPP-RPT-64595, Revision 0

Reference: see Page 2

Dear Ricky Bang:

On September 19, 2024, the Department of Ecology (Ecology) requested an extension (Reference). Ecology is further extending the completion date of our comment review period for the above referenced document. The new due date is December 20, 2024, in accordance with Section 9.2 of the *Hanford Federal Facility Agreement and Consent Order,* 89-10, Revision 8.

This extension was prepared to allow Ecology to complete our review and comments on RPP-RPT-64595 to ensure it adequately addresses the requirements of Agreed Order Docket No. 21304, Section V.F.1.iii.

If you have any questions or concerns, please contact me at jeff.lyon@ecy.wa.gov or (509) 372-7914.

Sincerely,
