Dear Ms. Schlieff:

REQUEST TO WITHDRAW HANFORD FACILITY RESOURCE CONSERVATION AND RECOVERY ACT PERMIT MODIFICATION NOTIFICATION FORM PCN-325-2024-02

On November 18, 2024, the U.S. Department of Energy Hanford Field Office (HFO) notified the Washington State Department of Ecology (Ecology) by e-mail of HFO's intent to modify Addendum J, the 325 Building Emergency Procedure (BEP), from Revision 29.2 to Revision 30 under PCN-325-2024-02. The version of the 325 BEP included in the permit modification package was inadvertently submitted without the approval page. Per Ecology's request, HFO is transmitting this letter to withdraw PCN-325-2024-02. The updated 325 BEP was resubmitted by e-mail under a new PCN number (PCN-325-2024-03) on November 26, 2024.

If you have any questions, please contact me, or your staff may contact me, on (509) 376-8086.

Sincerely,

DUANE
