Dear Messrs. Day and Nord:

EXTENSION REQUEST FOR 1100-EM-1 OPERABLE UNIT RI/FS SCHEDULE

I have reviewed the June 27, 1991, letter from Mr. Paul T. Day to Mr. Steven H. Wisness, that disapproved of the schedule extension request for 1100-EM-1 operable unit RI/FS schedule.

Article XL, Paragraph 114, of the Hanford Federal Facility Agreement and Consent Order requires the DOE Field Office, Richland (RL) to invoke the Dispute Resolution Process within seven (7) days of notification of non concurrence for requests for extension. RL requires additional time to evaluate U.S. Environmental Protection Agency's (EPA) response as discussed between myself, Mr. Paul Day, and Mr. Roger Stanley in separate telephone conversations on July 3, 1991. It was agreed in these conversations that the time limit to invoke dispute resolutions be extended to July 12, 1991, to allow RL adequate time to develop a position on EPA's disapproval of the change request. Please notify me by noon Friday, July 5, 1991, if you do not agree with this extension. If you have any questions please contact Mr. Bob Stewart on (509) 376-6192 or Mr. Steve Wisness on (509) 376-6798.

Sincerely,

Steven H. Wisness
Hanford Project Manager
