Subject: Results of Peer Review Vote

Folks,

As the saying goes, the results are in. Of course I'm talking about the vote on the Integration Report peer review candidates. The attached file contains all of the vote information. I've arranged to have funds for the reviewer contracts transferred to PNNL and hopefully their procurement process can begin next week. The top 3 candidates will be asked to review the report, with the 4th candidate serving as a substitute in case of cancellation, unavailability, etc. (no one objected to any of the choices, so all 4 candidates are considered eligible).

The draft report should be mailed out next week for your review/comment. If anyone does not want to receive a copy, please let me know. With the holidays coming up and our next meeting scheduled for January 31, I'm thinking the comment period should last until February 8th. This should also correlate well with the peer review. Let me know if this gives anyone heartburn. We'll let you know when the report has been mailed. Thanks.

Jamie
