Dear Ms. Charboneau:

Re: Ecology comments for the Risk Assessment Report for the 100 Area and 300 Area  
 Component of the River Corridor Baseline Risk Assessment, DOE/RL-2007-21, Draft A

The Washington State Department of Ecology (Ecology) as state natural resource trustee at Hanford, received the referenced document on June 29, 2007. Ecology and Washington Department of Fish and Wildlife will require a 30-day extension to review the risk assessment report. Ecology will provide comments to the United States Department of Energy by the close of business on September 13, 2007, which is 30 days after the 45-day review period.

Sincerely,

Larry Goldstein  
 Section Manager  
 Nuclear Waste Program
