Mr. Roger F. Stanley, Project Manager
State of Washington
Department of Ecology
Mail Stop PV-11
Olympia, Washington 98504-8711

Dear Messrs. Day and Stanley:

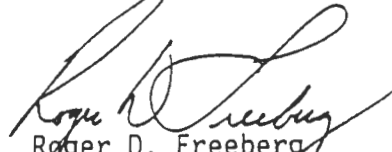

APPROVAL OF LABORATORY QUALITY ASSURANCE/QUALITY CONTROL PLANS

Article XXX of the Hanford Federal Facility Agreement and Consent Order (Agreement) requires that Quality Assurance/Quality Control (QA/QC) plans be submitted "for approval prior to use". In compliance with this requirement, U. S. Testing's Quality Control Manual (UST-RC-QC) and Quality Assurance Manual (UST-RD-QA) are enclosed. Similar documents for the Pacific Northwest Laboratory (PNL) were transmitted to you on July 28, 1989.

We would appreciate any comments you may have on the documents within 45 days of receipt of this letter (per the secondary document review requirements in the Agreement).

If you have any questions, please contact Mr. J. E. Rasmussen at (509) 376-2247.

Sincerely,

Roger D. Freeberg
Hanford Project Manager
